

Bibliography of Websites for Use With CPA Standards for the Medical Laboratory and Standards for EQA Schemes in Laboratory Medicine

This list of websites has been created to provide a resource to assist applicants and assessors in preparation for accreditation.

The websites quoted here are the most up to date that are known to CPA at the time of posting.

Any suggestions for additions or updates should be sent to the CPA Office: office@cpa-uk.co.uk

CPA does not accept responsibility for any omissions or changes made to documents by other bodies. The material included in these websites comes from a wide variety of sources, some of which are mandatory and others advisory.

List of Web Sites
